# DIABETES TODAY

---

# AND TOMORROW

## Emerging Diabetes Technology...Accelerating the Care Continuum

JDRF is the leading global organization focused on type 1 diabetes (T1D) research. The goal of JDRF is to improve the lives of every person affected by T1D through accelerating progress on the most promising opportunities for curing, better treating, and preventing this disease. Since our founding in 1970, JDRF has awarded more than \$1.7 billion to T1D research which is driving tremendous scientific progress and technological advancements.

As an attendee at this year's JDRF Diabetes Today and Tomorrow Conference and Exhibits, you will hear from leading scientists and medical experts on the newest research updates and the latest treatment advances. You will also be able to visit with our industry partners to see the most up-to-date technology and tools dedicated to helping you live better, healthier lives with diabetes.

JDRF Kids Camp will once again host children with T1D ages 5-12 for a fun-filled day learning about the importance of diabetes self-management under the guidance and supervision of our trained Kids Camp medical personnel.

New this year is Teen Central! This cool "hang-out" for youth with T1D ages 13-19 will offer opportunities to learn the latest in online diabetes-related technology, share stories and experiences with peers, ask questions and trade tips on managing T1D through the teenage years. Teen Central is directed by medical personnel and trained volunteers.

You won't find a more complete, comprehensive diabetes education program in the country than the JDRF Diabetes Today and Tomorrow Conference and Exhibits. Join us, our conference planning committee, and our community partners on Saturday, May 18, for a day of inspiration, education, and networking.

Regards,

**Abraham Thomas, MD, MPH, FACP**  
Conference Co-Chair  
Henry Ford Health System, Detroit, MI

**Michael A. Wood, MD**  
Conference Co-Chair  
Helen DeVos Children's Hospital,  
Associate Professor, Michigan State University  
College of Human Medicine, Grand Rapids, MI

## Program Information

**What:** JDRF's Diabetes Today and Tomorrow Conference and Exhibits

**Where:** Wayne County Community College District-Western Campus  
9555 Haggerty Rd, Belleville, Michigan  
(Located just north of the Haggerty Rd/I-94 intersection)

**When:** Saturday, May 18, 2013 8:30 a.m. – 2:00 p.m. (Check in: 7:30 a.m. – 8:15 a.m.)

**8:30 a.m. – 2:00 p.m.** JDRF Kids Camp  
**8:30 a.m. – 2:00 p.m.** JDRF Teen Central

## Program Agenda

### Session CO-CHAIRS

Abraham Thomas, MD, MPH, FACP  
Michael Wood, MD

### MORNING KEYNOTE

#### 8:30AM – 10:00AM: MORNING KEYNOTE

##### **FULLFILLING THE PROMISE OF INSULIN PUMP THERAPY**

William V. Tamborlane, MD; Professor and Chief of Pediatric Endocrinology, Yale School of Medicine, New Haven, CT

##### **THE ARTIFICIAL PANCREAS PROJECT – WHERE ARE WE NOW?**

Bruce Buckingham, MD; Professor – Med Center Line, Pediatrics – Endocrinology and Diabetes, Stanford Hospital and Clinics, Stanford, CA

#### 10:00AM – 10:30AM: MORNING BREAK AND EXHIBITS

#### 10:30AM-11:10AM: CONCURRENT WORKSHOP SESSIONS - SEE LIST BELOW FOR TOPICS

#### 11:10AM – 11:20AM: BREAK TO CHANGE ROOMS

#### 11:20AM – 12:00PM: CONCURRENT WORKSHOP SESSIONS - SEE LIST BELOW FOR TOPICS

##### **Session 1 – Technology, Apps and T1D**

Session Chair: Jacalyn Bishop, MD; Pediatric Endocrinology, Endocrine Kids, Novi, MI

##### **THERE HAS TO BE AN APP FOR THAT**

Donna S. Eng, MD; 3rd Year Fellow, University of Michigan Health System, Ann Arbor, MI

##### **Session 2 – Online with T1D**

##### **THE DIABETES ONLINE COMMUNITY**

Mike Hoskins, Managing Editor, DiabetesMine, PWD

##### **Session 3 – CGM – Continuous Glucose Monitoring**

Session Chair: Solomon I. Rosenblatt, MD; Michigan Endocrine Consultants, Berkley, MI

##### **CGM AND INCORPORATING IT INTO OUR DAILY LIFE**

Terra Cushman, RN, BSN, CDE; Endocrinology, Henry Ford Health System, Detroit, MI  
Patient Panel: Brian Tutas and Molly Yates

##### **Session 4 – Insulin Pumps**

Session Chair: George Grunberger, MD, FACP, FACE; Chairman, Grunberger Diabetes Institute, Bloomfield Hills, MI

##### **INSULIN PUMP TECHNOLOGY IN 2013 AND BEYOND**

Janet Dominowski, MS, RD, CDE; Helen DeVos Children's Hospital, Grand Rapids, MI  
Patient Panel: Kate LaValley (MiniMed), Matthew Gentry (MiniMed), Jill Lockwood and her son Guy (OminiPod), Katie Clark (t-slim) and her daughter Ellie (t-slim)

##### **Session 5 – Translative Care Advice**

##### **UNDERSTANDING DIABETES MEDICAL PROTOCOLS IN EVERYDAY LIVING**

Michael Wood, MD; Helen DeVos Children's Hospital, Associate Professor, Michigan State University College of Human Medicine, Grand Rapids, MI

##### **Session 6 – Nutrition**

Session Chair: Roxolana Karanec, MS, RD, CDE, Beaumont Hospitals

##### **COUNTING CARBS WITH THE NUTTY NUTRITIONIST**

Linda Clancy Kaminski, MS, RD, CDE, Nutrition & Lifestyle Consultant, Author

##### **Session 7 – Fitness**

Session Chair: Michael R. Brennan DO; Endocrinologist, Beaumont Health System, Roseville, MI

##### **EXERCISE, SPORTS, AND THE T1D ATHLETE**

Gary Scheiner, MS, CDE; Author, Owner/Clinical Director, Integrated Diabetes Services, Wynnwood, PA  
Sponsored by **Byram Health Care**

##### **RACE ACROSS AMERICA – FROM SAN DIEGO TO NYC**

Tom Grossman, Team Type 1 Runner, Midland, MI, PWD

##### **Session 8 – Teens and T1D**

Session Chair: Daniel Elsholz, MD; Assistant Director in Internal Medicine & Endocrinology, Synergy Medical Education Alliance, Saginaw, MI

##### **PSYCHO-SOCIAL ASPECTS OF ADOLESCENTS WITH T1D**

Dawn J. Dore-Stites, PhD; University of Michigan Health System, Ann Arbor, MI

##### **THE LINK BETWEEN EATING DISORDERS AND T1D**

Beverly Price, RD, MA, E-RYT; CEO and Founder, Inner Door Center, Royal Oak, MI

##### **Session 9 – T1D in School**

Session Chair: Julie M. Surhigh, MD, St. John Hospital and Medical Center, Detroit, MI

##### **LIFE WITH DIABETES – SAFE AT SCHOOL**

Diane Torrey, MSN, CPNP, CDE; Diabetes Nurse Educator, Essexville, MI

##### **Session 10 – T1D and Your Child's Rights**

##### **ADVOCATING FOR YOUR CHILD**

John Brower, Attorney, Law Office of John F. Brower, PLC, Brighton, MI

#### 12:00PM-1:00PM: LUNCH WITH TABLE-TOP-TALK, VISIT EXHIBITS

#### 1:00PM-2:00PM: AFTERNOON KEYNOTE

##### **Automation of Blood Glucose Control with a Dual-Hormone Bionic Pancreas**

Steven J. Russell, MD, PhD; Assistant Professor of Medicine, Harvard Medical School, Massachusetts General Hospital Diabetes Research Center, Boston, MA

### CLOSING REMARKS

#### DRAWING FOR TWO iPADS – COURTESY OF SOLARA MEDICAL SUPPLIES

Note: You must be present to win!

## JDRF Kids Camp

Sponsored by **Roche Diagnostics**, makers of Accu-Chek

Developed for kids ages 5-12 with type 1 diabetes, the JDRF Kids Camp will offer fun activities and educational programming designed to provide an enriching experience in diabetes self-management. A supervised environment, staffed with healthcare professionals provides your child with joyful interaction with kids experiencing similar life challenges.

We have special activities planned throughout the day, including arts & crafts, a magician, a visit from Paws, the Detroit Tigers Mascot, and an animal show courtesy of **Wayne County Community College District-Western Campus!**

Because of space limitations, siblings without diabetes are not permitted in the JDRF Kids Camp.

JDRF Kids Camp Planning Committee: Lisa Hodges, Roche Diagnostics; Judy Nechal, RN, BSN, CDE, Joslin Diabetes Center, Providence Hospital; Phyllis Surma, RN, CDE, Botsford Wellness Center; Cassie Bunker, RN, BSN; Amy Ohmer; and Shari Navetta.

## JDRF Teen Central

A cool place for kids ages 13-19 to hang out and meet new friends.

Being a teenager is hard enough, throw type 1 diabetes into the mix - and you've got a lot of explaining to do! Diabetes self-management is more than simply taking the necessary steps to control blood sugars and keep the A1C in target range - it's about having a support system, sharing experiences, empathizing with emotional challenges, and setting good examples.

This Teen Central program involves hands-on computer training on diabetes technology, special guest speakers including Gary Scheiner, MS, CDE, talking about the T1D athlete, and Tom Grossman sharing his "Race Across America" marathon run and other drop-in speakers throughout the day.

JDRF Teen Central Planning Committee: Colleen Buggs-Saxton, MD, PhD, Children's Hospital of Michigan, Wayne State University; Colette Serpetti, RN, BSN, Children's Hospital of Michigan; and Margie Maly, RN, BSN, CDE, Children's Hospital of Michigan.

## JDRF Today and Tomorrow – Informed, Involved and Caring

Find out more about how you and your family can become involved with JDRF in 2013. Stop by our display table to pick up information about fundraising programs, our extensive patient education and support activities, and JDRF supported research.

## Lodging

A block of rooms is being held at the Detroit Metro Airport Marriott, 30559 Flynn Drive, Romulus, Michigan at a reduced rate of \$84/night for a double or king. If you require lodging, please make your reservation on or before Wednesday, April 17. Reservations can be made by calling the Marriott at 800-228-9290 or 734-729-7555. Mention you are with JDRF to receive the reduced rate.

**Note:** JDRF cannot guarantee room availability after the reservation deadline listed above.

## Registration

Registration is available online only and advance registration is required. Please register online at [www.jdrfmichiganeast.org](http://www.jdrfmichiganeast.org). Unfortunately we are unable to accept phone or mail registrations.

Every person attending the conference, Kids Camp, or Teen Central must be listed on the registration form. Those not listed may be denied access to the conference due to space constraints.

**Note:** Due to seating limitations, attendance is limited to persons with diabetes and one or two immediate family members only. Space will be available on a first come, first served basis.

Members of the medical and scientific community are welcome to attend.

Questions regarding this conference should be directed to 248.936.1284 or email [dpentescu@jdrf.org](mailto:dpentescu@jdrf.org)

**Registration Deadline: Monday, May 13, 2013**

## Educational Grants

**Cole Family Foundation  
Fannie Kraft Foundation**

*A portion of this program is underwritten by educational grants provided by community-minded corporations and leading pharmaceutical companies.*
